

"The water I give him," said Jesus, "will become in him a spring of water welling up to eternal life"
John 4:14

"He is no fool who gives what he cannot keep, to gain what he cannot lose."
Jim Elliott

When everything you have is given away, do you want to have a say in where it goes?

You can have a say if you make a will.

Without a will, the decision is made by someone else. Your loved ones and the causes you care about may not receive what you would like. Without a will the law will decide what happens to the things you own. Why make assumptions about what will happen when you can be sure by making a little effort? Careful planning can also mean that you avoid money being eaten up by inheritance tax.

Why leave a gift in a will to Crosslinks or South Asian Concern?

The Good News of Jesus will always need telling. Much of the work we do today is possible because of faithful Christians who have left gifts in their wills.

What next? Act now!

1. Prayerfully consider whether you should make a will and what to include.
2. Please fill in the form.

You are not committing yourself to anything other than receiving information.
