"The next day he saw Jesus coming towards him, and said, "Behold, the Lamb of God, who takes away the sin of the world" John 1:29

Dear Friends,

Praise God for Jesus, the Lamb of God who has taken away our sins through his death on the cross. What a privilege to speak of him and his sacrifice to Belgians. We are very grateful for all your prayers and we trust that our Father answers them for his glory.

MISSION WEEK UPDATE

Thanksgiving for many non-Christians hearing the Gospel

Thank you for your prayers for the Mission Week. There were non-Christians present at each of the events and some really seemed to listen and engage with what was said. Praise God, our neighbours Patrick and Thérèse came along to one of the talks.

Prayer for the follow-up

A Christianity-Explored type course started at church two weeks ago. Please pray for Johnny and Naomi who are leading the group. Please pray also that God would work to open the blind eyes of the non-Christians who are coming along. Please pray that Patrick and Thérèse would continue to attend the course (they weren't able to come last week) and that God might save them.

EVANGELISM

Petits Lapins (Mother's and Toddlers Group at church)

At the Mums and Toddlers' Group at Woluwe Church, there is a short talk (three minutes each week on an aspect of the Bible's message). Praise God that some mums whom Lizzie met at a drop-in crèche, have come along on a Thursday morning. Please pray that these mums would keep coming and that there would be chances to chat with them more personally about the gospel.

Foot et Foi (Footie and Faith)

In an attempt to reach out to non-Christian men and to unite the Christian men at church in evangelism, we have recently started Footie and Faith evenings. It's a regular game of five-a-side football with a short three-minute talk on an aspect of the gospel at half-time. It's been really encouraging to see non-Christians coming along and seeing some more fringy Christians inviting

friends. Please pray that people would listen to the half-time talk and that over time, God would work to save some of these men.

SERVING AT CHURCH

Thursday night bible study

This year there are four students who come along mid-week to the bible study. Please pray that each of them, Estelle, Annaëlle, Muriel and Arsène, would be built up in Christ as we look at a bible overview. Please pray that God would also use the thematic talks after the bible study to correct and change their thinking where necessary.

One-to-one bible studies

Robbie has been meeting with Arsène to look at Titus. Please pray that God would grow him to love Jesus more and that he'd continue to be a servant-hearted member of Christ's body.

Lizzie continues to meet with Mélodie and Elodie to study Romans. As they study Romans 8, please pray that all three girls would have solid assurance of their salvation.

Preaching

Please give thanks for the chance Robbie has had to preach this term. Please pray for him as he preaches in Colossians in June. Pray that in the truths he preaches, he would rejoice in himself and that God would work through his word in Colossians to convince the congregation of the sufficiency of Jesus.

Sunday School (9-12 year olds)

Please give thanks for the number of children in the group Lizzie helps with, sometimes there are as many as 20 on a Sunday morning. Praise God for children from non-Christian families coming along and for the Old Testament overview they are doing. Praise God as well for some really good questions which show that they are thinking hard about what they are hearing. Please pray for enough leaders for this group for 2015-2016.
