

February 2017

Dear all,

Thank you for your continued prayer and support over the last few weeks. We are now about a third of the way through our trip and time is flying here!

We're still all loving working at Rafiki, with Phoebe and Sophie joining us every Monday. We're enjoying getting to know the children much better through teaching some classes, singing with the nursery each morning and joining in at playtimes. Alongside this we're continuing to help with our usual jobs including baking, bean sorting, washing up and laundry!

In the evenings, we're loving spending more time together as a team and continuing with our studies in John. With Phoebe and Sophie's support we've started leading bible studies on our own, which has been a real help in learning how to prep a bible study by ourselves. We are continuing with weekly seminars, led by Phoebe and Sophie, where we

are thinking through different theological issues such as the sovereignty of God and the trinity. We were recently visited by Phoebe's friends Will and Izzy. Will led us through a seminar on the cross which was really helpful for us to be reminded of how sinful we are but how amazing God's grace is.

We've been busy, but it's not all work! On valentine's day, Phoebe and Sophie prepared a three-course, head torch lit dinner, including a heart shaped cake with icing for us. We

have also had a wonderful chance to get away for a few days, staying at Camp Carnelley's at Lake Naivasha. We've had the amazing opportunity to cycle through Hellsgate National Park, and saw all sorts of animals. Even as we write this, a giraffe is walking through our camp down to the lake! It's been a great chance to get to know each other even better as a team, and to unwind and relax.

Much love,

Lucy and Sally and the rest of the Kenya Team.
