

## October 2017

***“Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight.”*** Proverbs 3:5-6

There is some unrest in Uganda these days. The parliament is trying to remove the age limit for a serving president. The opposition parties and many Ugandans are strongly against this. Please pray that this issue can be resolved peacefully.

### South Sudanese Visit

This month Andrew taught in three centres where we teach the Preacher's Training Course (PTC); the centres are in Arua, Alere and Kiryandongo. This is the second part of our training course with the Episcopal Church of South Sudan (ECS). In June we taught OT and NT introductions; this time we taught the letter of James and bible doctrine part one. We were able to give the students a copy of the notes for James in the Dinka language and they were very positive about this. We hope to provide all the future teaching material in the Dinka language as the majority of our students do not know English. **Please pray** for wisdom as we prepare for the next session of PTC in January.

### Dinka Bible

Most of the refugees we are teaching are from the Dinka tribe. However, many of them ask us if we can help them to get a bible their own language. There is a New Testament but it is impossible to get it in Uganda. Rev. Paul Kim and Andrew contacted the Ugandan Bible Society. They were willing to print the Dinka Bor NT if we order, and pay for, 5,000 copies at \$4 each. We have been able to pay half of this money to the Bible Society so they have ordered the Bibles; we need to pay the other

half when we receive the Bibles. We are thankful for all the donations we have received! Please pray that the Bibles will come on time - we have been told they may come around December/January.

### **Nebbi Diocese**

The church teachers' training programme has not started yet. The main problem seems to be that each archdeaconry has to raise some funds each month to pay for this training. Please pray that the programme will start soon.

### **Health Centre**

Eight new staff have recently been appointed to work in Goli and Zumbo Health Centres.

Please pray that these people will adjust well to their new positions. We thank God that one of our staff, who was a cleaner, has received a scholarship from JOCS (Japanese Overseas Christian Medical Cooperative Service) to study to be an enrolled midwife.

### **Personal Reflections**

We had a good time with Andrew's family this summer in the UK. Andrew enjoyed being able to visit several partner churches in England. We are looking forward to visiting Joy during her midterm break in October. We visit her at least once a year. Please pray for safe travel as we drive there - the journey is over 600 miles each way!

Please pray that God will continue to show us how best we can serve Him.
