Testimonials from parents

'Our daughter came back from camp having had a truly enjoyable week. This is the most enthusiastic I have seen her about God's word – your teaching and fellowship have lit a fire in her heart ... Crosslinks camps provide a perfect springboard for us as parents to continue our children's Christian upbringing.'

'I am so thankful for Crosslinks and for what my kids have gained from camp. It has enriched their spiritual lives immensely and I am blessed that they are following Jesus and serving him where he has placed them.'

About Crosslinks camps

Crosslinks camps offer a fantastic opportunity for children and young people to spend time in God's word, thinking through mission and God's plan for his world. The camps are full of activities, Bible talks and visits by our mission partners.

Crosslinks camps provide young people with the opportunity to explore life with Jesus – whether someone is considering that for the first time or is wanting to grow in and explore their faith.

Who's in charge?

Our leaders come from all walks of life across the UK and Ireland, from students to retirees. Each of them is linked with and recommended by their church, and provided with the necessary training. All leaders are committed Christians who are living out their faith through a Christ-like lifestyle.

We use the AccessNI and Disclosure and Barring Service (DBS) as part of our safe recruitment policy. Each camp also has directors appointed by and accountable to Crosslinks. Each camp has a safeguarding officer, first-aider and lifeguards (if swimming is available as a camp activity). We ensure that all aspects of Crosslinks camps follow the current standards and policies set by the Safeguarding Trust.

Who do I talk to about my child's needs?

We do everything we can to cater for all children's needs – whether dietary, physical or anything else. All we ask is that, at the time of booking, you let Crosslinks know about any particular need. If you do not let us know in good time, we may not be able to provide the appropriate care your child would require at camp.

What does the price of camp include?

The cost of camp will cover accommodation, all meals and all activities during the week. Parents/guardians are responsible for travel arrangements to and from camp.

Typical week at camp

Crosslinks camps often include on-site and off-site activities, including music, sports, arts and crafts, Bible studies, meals together and a main Bible teaching session each day.

About Crosslinks

Crosslinks exists to help people get involved in God's mission to take God's word to God's world. We believe every

Christian has a part to play in God's plan for the world. Crosslinks has over 120 workers in more than 40 countries worldwide. Over 90 of these are long-term mission partners sent by churches in the UK and Ireland. We also help indigenous workers run 20 different gospel projects in their home nations and provide bursaries to enable those in less well-off countries to study for ministry. In addition, Crosslinks has a short-term mission programme, sending men and women across the globe to serve alongside our long-term mission partners.

- ◆ All Crosslinks workers are engaged in word ministry, with the Bible at the forefront of what they do.
- ◆ We believe mission is all about making disciples of Jesus Christ, so our people and projects are all involved in frontline evangelism, planting churches or training pastor-teachers.
- ◆ Crosslinks doesn't just ask for money – we facilitate partnerships. We want to see people encouraging, praying and giving in support of specific gospel workers around the world.
- ◆ We have a rich Anglican heritage but enjoy partnerships with churches from other denominations, fellowships and networks.
